

# loyal

## Jasmine Thompson

Shadows hang behind us both  
Specially when I lie this low  
You say you want to trust me more  
But you lie all you wantWhat is it that you don't understand  
I'll be gone into my mind  
So you remember this  
I'll always be loyal babeCome to see where you work  
And everytime now, I'll be your girl  
Hanging on you everywhere  
You'll play along to make me hope  
What is it that you don't understand  
I'll be gone into my mind  
So you remember this  
I, I'll always be loyal babeFire has died  
I'm still loyal to you  
Fire has died  
But I'm loyal to you always  
Now come and take me and lie in bed  
And we both acknowledge this is deadI wanted to prove you wrong  
I'm still faithful to the white lies  
So you rememeber this  
I'll always be loyal babe  
(Fire has died)  
I'll always be loyal babe (I'm still loyal to you)  
(Fire has died but)  
(But I'm loyal to you always)  
(I'm still loyal to you)  
(Fire has died)  
(but I'm oyal to you always)  
(Fire has died)  
(I'm still loyal to you)  
(Fire has died)  
(but I'm loyal to you always)  
Fire has died  
I'm still loyal to you  
Fire has died  
But I'm loyal to you always
