Advisory - the following lyrics contain explicit language:

Dirty little secret
Dirty little lies
Say your prayers
And comb your hair
Save your soul tonightDrift among the faithful
Bury your desires
Aborations fill your head
You need a place to hide
And I amDo you remember me?
The kid I used to be
Do you remember me?When your world comes
Crashing down I want to relive
(Good God he's looking down on me)
I'm not Jesus, Jesus wasn't there
You confess it all away but it's only shit to me
(Good god he's looking down on me)
I'm not Jesus I will not forgiveNo I won't
No I won'tI thought you were a good man
I thought you talked to god
You hippocratic, messianic
Child abusing, turn satanicDo you remember me?
Do you remember me?
The kid I used to be
Do you remember?Do you remember?When your whole world comes undone
Let me be the one to say
I'm not Jesus you can't run away
And the innocence you spoiledFound a way to live
(Good God he's looking down on me)
I'm not Jesus I will not forgiveI will not forgive
I want whatever you wanted
I will not forgive
I won't be whatever you wantedDo you remember me

The kid I used to be
Not the same as I used to be
Oh do you remember me?NooWhen your world comes
Crashing down I want to be there
(Good God he's looking down on me)
I'm not Jesus, Jesus wasn't there
You confess it all away but its only shit to me
(Good God he's looking down on me)I'm not Jesus I will not
I'm not Jesus I will not forgive
Ohh, I will not forgive yeah, yeah
No I will not forgive
