

# U Make Me Sick

## HOLYCHILD

I know I'm a weirdo but you like the way I think  
Thinking it forever but we're honest as we sing  
Won't you take me out for lunch?  
Won't you spoil me undone?  
Self-conscious and guilty walking tired through the streets  
I need your attention, need to know what just you see  
Won't you eat me out at lunch?  
Yeah, just let me go undone

U  
Make  
Me  
So  
Sick!

When I see you standing there  
Hold me close, won't make me care

U  
Make  
Me  
So  
Sick!

When I see you standing there  
Won't you leave me, then I'll care  
I know I'm a loser, you don't have to play those games  
Treat me all the same, you never seem to call my name

I know you leave me out at night  
I know you smile when I cry  
Baby, I'm a sinner but I don't know all the ways  
Keep me all together, tie my hands up when I say,  
"Won't you eat me out at lunch,  
Yeah, just leave me then I'll punch."

U  
Make  
Me  
So  
Sick!

When I see you standing there  
Hold me close, don't make me care

U  
Make

Me  
So  
Sick!

When I see you standing there  
Won't you leave me, then I'll care

(Music)

U  
Make  
Me  
So  
Sick!

When I see you standing there  
Hold me close, don't make me care

U  
Make  
Me  
So  
Sick!

When I see you standing there  
Won't you leave me, then I'll care.
