

Leaving Here

Motörhead

Hey, fellows have you heard the news
The women in this town are being misused
Seen it all in a dream last night
You'll be leaving this town 'cause you don't feel right I'm leaving, leaving here
I'm leaving, leaving here Hey fellows, better change your ways
Or they'll be leaving this town in a matter of days
They all say and everything's so true
We fellows run around with someone new I'm leaving, leaving here
I'm leaving, leaving here Yeah, one by one, yeah, two by two
Yeah, three by three, yeah, four by four [Incomprehensible]
[Incomprehensible]
One day, one day and it won't be long
And all them fine chicks will be gone I'm leaving, leaving here
I'm leaving, leaving here Yeah, two by two, yeah, four by four
Oh yeah, oh yeah yeah yeah
I'm leaving here
[Incomprehensible]
