

Love on the Rocks

Neil Diamond

Love on the rocks
Ain't no surprise
Just pour me a drink and I'll tell you some lies
Got nothin' to lose so you just sing the blues
All the time Gave you my heart
Gave you my soul
You left me alone here with nothing to hold
Yesterday's gone
Now all I want is a smile First, they say they want you
How they really need you
Suddenly you find you're out there
Walking in a storm
When they know they have you
Then they really have you
Nothing you can do or say
You've got to leave, just get away
We all know the song You need what you need
You can say what you want
Not much you can do when the feeling is gone
May be blue skies above
But it's cold when you love's on the rocks First, they say they want you
How they really need you
Suddenly you find you're out there
Walking in a storm
When they know they have you
Then they really have you
Nothing you can do or say
You've got to leave, just get away
We all know the song Love on the rocks
Ain't no surprise
Just pour me a drink and I'll tell you my lies
Yesterday's gone
And now all I want is a smile
