Call Me

Nancy Sinatra

If you're feeling sad and lonely
There's a service I can render
Tell the one who loves you only
I can be so warm and tenderCall me, don't be afraid, you can call me
Maybe it's late, but just call me
Tell me and I'll be aroundWhen it seems your friends desert you
There's somebody thinking of you
I'm the one who'll never hurt you
Maybe that's because I love youCall me, don't be afraid, just call me
Maybe it's late, you can call me
Tell me and I'll be aroundNow don't forget me 'cause if you let me
I will always stay by you
You got to trust me that's how it must be
There's so much that I can do, call me, yeahCall me, don't be afraid, you can call me
Maybe it's late, but just call me
Tell me and I'll be aroundIf you call I'll be right with you
You and I should be together
Take this love I long to give you
I'll be at your side foreverCall me, don't be afraid, you can call me
Maybe it's late, but just call me
Tell me and I'll be around
