

Angel of Light

Mercyful Fate

I have seen him there
Master of light, master of the night
Master of all the things that shine

Oh, I believe
I believe in all that I have seen
And I have seen the angel of light
I have seen the angel of light, Lucifer

I have seen him there
Deep down where the devils dwell
Deep down in the darkest well
Oh, I believe
I believe in all that I have seen
And I have seen the angel of light

I have seen the angel of light, Lucifer
I will make a second deal with the prince of light
Never will I break the oath I gave that night
Shine in all your glory, shine your light on me

I have seen him there
Deep down where the devils dwell
Deep down in the darkest well
Oh, I believe
I believe in all that I have seen
And I have seen the angel of light
I have seen the angel of light, Lucifer
