

Don't Leave Me This Way

Chipper

All of my life, all of my life
I've been searching for a love like ours
Somewhere to stay, somewhere safe
In your arms, I was so sure Are you really saying your heart's changing
Do you really mean goodbye Don't leave me this way, no, no
Don't tell me it's over
We've only begun and our love is so young
You're leading me nowhere
Don't leave me this way
Don't leave me this way Say what's on your mind, one thing at a time
And I promise you we'll talk it through
Don't walk away, there's so much more to say
Though my words seem lost on you Can't believe you're talking like we're just friends
Can't you see the tears I cry? Don't leave me this way, no, no
Don't tell me it's over
We've only begun and our love is so young
You're leading me nowhere
Don't leave me this way
Don't leave me this way Are you really saying your heart's changing
Do you really mean it this time, baby Don't leave me this way, oh no
Don't tell me it's over
We've only begun and our love is so young
You're leading me nowhere Don't leave me this way
No, don't tell me that it's over
We've only begun and our love is so young
Don't leave me now Don't leave me, don't leave me this way
Don't leave me, don't leave me this way
Don't leave me, don't leave me this way
Don't leave me, don't leave me this way Don't leave me this way
If you'll just take a little bit of time
You just might wanna change your mind
Don't leave me, no, no, no, no
Don't leave me this way
