Back Again

Boy Kill Boy

Close to madness
So demanding, I can't breathe anymore
I'll never be the same again
Please forgive me, and forget me
'Cause it's calling my name
I'll never go back again, back again, back again, back againCan I find some more misery?
If it can't be you, then it must be me, and
Can i find some more for me?
I'll never know, I'll never go back again, back again, back againCold September, I remember
Wishing I was away
I'll never be the same again
Please forgive me and forget me
Cause it's calling my name, it's calling, it's calling it's calling, it's calling, it's callingCan I find some more misery?
If it can't be you, then it must be me and
Can i find some hope for me?
I'll never go ill never go back againTime to time it gets easier
Time to time it gets easier again, again, again, again...Can I find some more misery?
If it can't be you, then it must be me and
Can i find some more for me?
I'll never go ill never go back again...
