

# I Scream Up to the Sky

**Ektomorf**

I scream up to the sky  
that I've not cracked under  
I have a pure mind  
with hate and rage in my blood I scream up to the sky  
let me know what's coming now  
Why is this sentence?  
You killed someone innocent Devla, listen to the sinner's prayer! I scream up to the sky  
listen to my prayer  
My prayer is my fate  
I want you to listen and suffer I scream up to the sky  
Don't punish him for my sin!  
I scream up to the sky  
I want to suffer for my sin! Do you hear me?
