All 4 love

BRYAN ADAMS/ROD STEWART/STING

I'm so glad you're my girl, I'll do anything for you
Call you every night and give you flowers to
I thank the Lord for you and think about you all the time
I ask him everyday that you'll forever be mine
I wanna hold your hand to show you I'll be there
I like to do the things that let you know I care
I sing this lullaby 'cause girl you fill me full
I look into your eyes you're so beautiful
Oh girl I think I love you I'm always thinkin' of you
I want you to know I do all 4 love
I love it when we're together girl I need you forever
And want you to know I do it all 4 love
I will never leave you sugar this I guarantee
I look in to the future I see you and me
Knight in shining armor I will be your fairy tale
I wanna take care of you girl, I'll serve you well
I will be there for you to catch you when you fall
I'll hold you in my arms that's where you belong
I sing this lullaby 'cause girl you fill me full
I look in to your eyes you're so beautiful, beautiful yeah
Oh girl I think I love you I'm always thinkin' of you
I want you to know I do all 4 love

I love it when we're together girl I need you forever
and want you to know I do it all 4 love
Yo come here sweetheart
I want you to know something all right
See everyday in my life without you is like a hundred years
The distance between us an ocean of tears
See all the things I do for you are for love dig it
All for lovin' all for you
All for lovin' you, you, you
Oh girl I think I love you I'm always thinkin' of you
I want you to know I do all 4 love
I love it when we're together girl I need you forever
And want you to know I do it all 4 love
Oh girl I think I love you I'm always thinkin' of you
I want you to know I do all 4 love
I love it when we're together girl I need you forever

And want you to know I do it all 4 love
Oh girl I think I love you, I'm always thinkin' of you
All 4 love
I love it when we're together girl I need you forever
