

# Bad Girlfriend

## Foil

My girlfriend's a dick magnet, my girlfriend's gotta have it  
She's hot, can't stop, up on stage, doing shots  
Tip the man, he'll ring the bell, get her drunk, she'll scream like hell  
Dirty girl, getting down, dance with guys from outta town  
Grab her ass, acting tough, mess with her, she'll fuck you up  
No one really knows if she's drunk or if she's stoned  
But she's coming back to my place tonight  
She likes to shake her ass, she grinds it to the beat  
She likes to pull my hair when I make her grind her teeth  
I like to strip her down, she's naughty to the end  
You know what she is, no doubt about it  
She's a bad, bad girlfriend  
Red thong, party's on, love this song, sing along  
Come together, leave alone, see you later back at home  
No one really knows if she's drunk or is she's stoned  
But she's coming back to my place tonight  
I say no one really knows just how far she's going to go  
But I'm gonna find out later tonight  
She likes to shake her ass, she grinds it to the beat  
  
She likes to pull my hair when I make her grind her teeth  
I like to strip her down, she's naughty to the end  
You know what she is, no doubt about it  
She's a bad, bad girlfriend  
Doesn't take her long to make things right  
But does it make her wrong to have the time of her life  
The time of her life?  
My girlfriend's a dick magnet, my girlfriend's gotta have it  
She's a gold digger, now you figure out it's over, pull the trigger  
Future's finished, there it went, savings gone, the money spent  
Look around and all I see is no good, bad and ugly  
Man, she's hot and fixed to be the future ex-Miss Connelly  
She likes to shake her ass, she grinds it to the beat  
She likes to pull my hair when I make her grind her teeth  
I like to strip her down, she's naughty to the end  
You know what she is, no doubt about it  
She's a bad, bad girlfriend, she's a bad, bad girlfriend  
She's a bad, bad girlfriend
