

Cigarettes and Alcohol

Rod Stewart

Is it my imagination
Or have I finally found something worth living for
I was looking for some action
But all I found were cigarettes and alcohol You could wait for a lifetime
To spend your days in the sunshine
You might as well do the white line
Cause when it comes on top You gotta make it happen!
Is it worth the aggravation
To find yourself a job when there's nothing worth working for
It's a crazy situation
But all I need are cigarettes and alcohol You could wait for a lifetime
To spend your days in the sunshine
You might as well do the white line
Cause when it comes on top
