Something To Believe In

Linda Eder

Everybody's searching for answers
Everybody tries to find some meaning in their life
Where do we belong
Who will be our shelter
Looking for salvation
A haven from the stormWe all need something to believe in
We all need a light to see us through
We all need something to believe in
I found something to believe in youI was like a wayward ship drifting out to nowhere
Tossing in the raging waters
tryin' to find my way home
You must be an angel watchin' over me
Your lovin' arms my harbor
Now I know I'm not aloneWe all need something to believe in
We all need a light to see us through
We all need something to believe in
I found something to believe in you
