Chocs Away

Snuff

Dont take it from me
you know I'm just guessing
It wasnt a clue
I dont know the way
You've got a brain
maybe its time to use itFire it up, a little warm running
Chocs away, go & meet whats coming
You aint a fool, there aint a limit
Fire it up, find out whats in itCaught between worlds
no there aint a warning
Dont take it from me
I dont know the way
You've got a brain
maybe its time to use itFire it up, a little warm running
Chocs away, go & meet whats coming
You aint a fool, there aint a limit
Fire it up, find out whats in itChocs away, a little warm running
Fire it up go & meet whats coming
You aint a fool, there aint a limit
Fire it up, find out whats in itThanks to Andy (s0_l0ng_ast0ria@hotmail.com) for these lyrics
