She Comes in Colors

Love

A thought in my head, I think
Of something to do
Expressions tell everything
I see one on you[Chorus]
Whoa-oh-oh-oh, my love she comes in colors
You can tell her from the clothes she wearsWhen I was invisible
I needed no light
You saw right through me, you said
Was I out of sight?[Chorus:Repeat x3]When I was in England town
The rain fell right down
I looked for you everywhere
'Til I'm not around[Chorus]
