Goodbye

Juana

Didn't mean to hurt you badly
Don't think that I am fooling around with you
So sorry for the time you've wasted on me
So sorry for the things that you went through
But I know that the problem's within me
You're so nice but your love don't deserve me
Or maybe I'm just so scared to fall in love againI can still remember the days
So many times I've been hurt
So much trust I put on a relationship
So much suffering I got and the pain still remain
You know I like you but I don't wanna take the risk
So confused and I don't know how to deal with it
Need some time for awhile before I give my heart awayDon't say goodbye
Don't say goodbye
I need some time for awhile before I give my heart awayDon't say goodbye
Don't say goodbye
I need some time for awhile before I give my heart away
