

# Goodbye

## Juana

Didn't mean to hurt you badly  
Don't think that I am fooling around with you  
So sorry for the time you've wasted on me  
So sorry for the things that you went through  
But I know that the problem's within me  
You're so nice but your love don't deserve me  
Or maybe I'm just so scared to fall in love again I can still remember the days  
So many times I've been hurt  
So much trust I put on a relationship  
So much suffering I got and the pain still remain  
You know I like you but I don't wanna take the risk  
So confused and I don't know how to deal with it  
Need some time for awhile before I give my heart away Don't say goodbye  
Don't say goodbye  
I need some time for awhile before I give my heart away Don't say goodbye  
Don't say goodbye  
I need some time for awhile before I give my heart away
