That's Life (PVD Mix)

Paul van Dyk

Life isn't made so everything is right
Life isn't made so everything is right
Life isn't made so it's always alrightBut that is alrightLife isn't made what you have in mind
Life will not always be too kind
Sometimes you wonder what's really behindWhat's really behindBut that is alrightLife isn't made so everything is right
Life isn't made so everything is right
Life isn't made so it's always alrightBut that is alrightLife isn't made what you have in mind
Life will not always be too kind
Sometimes you wonder what's really behindWhat's really behindBut that is alrightLife isn't made so everything is right
Life isn't made so everything is right
Life isn't made so it's always alrightBut that is alrightLife isn't made what you have in mind
Life will not always be too kind
Sometimes you wonder what's really behindWhat's really behindSometimes you wonder what's really behindWhat's really behindBut that is alright
