

# That's Life (PVD Mix)

[Paul van Dyk](#)

Life isn't made so everything is right  
Life isn't made so everything is right  
Life isn't made so it's always alright But that is alright Life isn't made what you have in mind  
Life will not always be too kind  
Sometimes you wonder what's really behind What's really behind But that is alright Life isn't made so everything  
is right  
Life isn't made so everything is right  
Life isn't made so it's always alright But that is alright Life isn't made what you have in mind  
Life will not always be too kind  
Sometimes you wonder what's really behind What's really behind But that is alright Life isn't made so everything  
is right  
Life isn't made so everything is right  
Life isn't made so it's always alright But that is alright Life isn't made what you have in mind  
Life will not always be too kind  
Sometimes you wonder what's really behind What's really behind Sometimes you wonder what's really  
behind What's really behind But that is alright
