

Noble Surfer

Beach Boys

Noble
(Ain't joshin')
Surfer
(Ain't joshin')

He's the number one man
(He's movin')

The surfers call him Noble and that's just what he is

He's dedicated to the mighty sea
Surfin' night and day, never twice in one spot
He's somethin' you and I would like to be

Noble
(Ain't joshin')
Surfer
(Ain't joshin')

He's the number one man
(He's movin')

Noble
(He's movin')
Noble
(Ain't joshin')
Surfer
(Ain't joshin')

He's the number one man
(He's movin')

He's not afraid of body whop from ten feet or more

He never backs away from a swell
Hurachis on his feet, bushy hair on his head
And where he's going he'd never tell

Noble
(Ain't joshin')
Surfer
(Ain't joshin')

He's the number one man
(He's movin')

Noble
(He's movin')
Noble
(Ain't joshin')
Surfer

(Ain't joshin')
He's the number one man
(He's movin')

Noble
(Ain't joshin')
Surfer
(Ain't joshin')
He's the number one man
(He's movin')

Noble
(He's movin')
Noble
(Ain't joshin')
Surfer
(Ain't joshin')

He's the number one man
(He's movin')

A surfin' Casanova with his customized board

A Woody and his dirty white jeans

He takes his choice of honeys up and down the coast
The finest surfer yet to make the scene

Noble
(Ain't joshin')
Surfer
(Ain't joshin')

He's the number one man

(He's movin')

Noble

(He's movin')

Noble

(Ain't joshin')

Surfer

(Ain't joshin')

He's the number one man

(He's movin')

Noble

(He's movin')

Noble

(Ain't joshin')

Surfer

(Ain't joshin')

He's the number one man

(He's movin')

Noble

(He's movin')
