

# Mr. Curiosity

Lena

Hey, Mr. Curiosity  
Is it true what they've been sayin' about you?  
Are you killin' me? You took care of the cat already  
And for those who think it's heavy  
Is it the truth or is it only gossip? Call it mystery or anything  
Just as long as you'd call me, I sent the message on  
Did you get it when I left it? See this catastrophic event  
It wasn't meant to mean no harm  
But to think there's nothing wrong is a problem I'm looking for love this time  
Soundin' hopeful but it's making me cry  
Love is a mystery  
Mr. Curious, come back to me Mr. Waiting, ever patient can't you see  
That I'm the same, the way you left me?  
In a hurry to spell check me  
And I'm underlined already in envy green and pencil red  
And I've forgotten what you've said Will you stop working for the dead  
And return Mr. Curious, well, I need some inspiration  
It's my birthday and I cannot find no cause for celebration  
The scenario is grave but I'll be braver when you save me  
From this situation laden with hearsay I'm looking for love this time  
Soundin' hopeful but it's making me cry  
And love is a mystery  
Mr. Curiosity, be Mr. Please, do come and find me  
Oh, find, find me, find me [Incomprehensible] I'm looking for love this time  
Soundin' hopeful but it's making me cry  
Tryin' not to ask why  
'Cause love is a mystery  
Mr. Curiosity, be Mr. Please, do come and find me Love is blindin' when the timing's never right  
Oh, who am I to beg for difference  
Findin' love in just an instant  
Well I don't mind, at least I've tried  
Well I tried, I tried
