

Hang 'em High

My Chemical Romance

Wait until it fades to black
Ride into the sunset, would I lie to you?
Well, I've got something to say Grab your six-gun from your back
Throttle the ignition, would I die for you?
Well here's your answer in spades Shotgun sinners, wild eyed jokers
Got you in my sights
Gun it while I'm holding on After all is said and done
Climb out from the pine box well I'm asking you
'Cause she's got nothing to say The angels just cut out her tongue
Call her black Mariah, would I lie to you?
That girl's not right in the brain Mass convulsions, strike the choir
By the grace of God
Gun it while I'm holding on But don't stop if I fall
And don't look back
Oh baby don't stop
Bury me and fade to black She won't stop me, put it down
She won't stop me, put it down
She won't stop me, put it down
So get your gun and meet me by the door She won't stop me, put it down
She won't stop me, put it down
She won't stop me, put it down
So get your gun and meet me by the door She won't stop me, put it down
She won't stop me, put it down
She won't stop me, put it down
So get your gun and meet me by the door She won't stop me, put it down
She won't stop me, put it down
She won't stop me, put it down
So baby Don't stop if I fall
And don't look back
Oh baby don't stop
Bury me and fade to black Don't stop if I fall
And don't look back
Oh baby, don't stop
Bury me and fade to black Don't stop, oh baby, don't stop
Don't stop
