

Back of a Car (Live In Memphis)

Big Star

Sitting in the back of a car
Music so loud, can't tell a thing
Thinking 'bout what to say
And I can't find the lines You know I love you a lot
I just don't know, should I not?
Waiting for a brighter day
And I can't find a way I'll go on and on with you
Like to fall and lie with you
I love you, too
Wo, wo, wo Baby, I'm too afraid
I just don't know if it's okay
Trying to get away
From everything Won't you take me home?
It's gone too far inside this car
I know I'll feel a whole lot more
When I get alone I'll go on and on with you
Like to fall in love with you
I love you too
Wo, wo, wo Sitting in the back of a car
Music so loud, can't tell a thing
Thinking 'bout what to say
And I can't find the lines
