## Dead Kennedys

Used me a partner in crime  
Now you say you ain't got the time  
Gotta get serious, gotta plan  
Gotta pass those entrance exams  
Oh my God, it's senior year  
All you care about is your careerIt's a life sentence

Life sentenceYou're squelching your emotions  
All you talk about is old times  
You don't do what you want to  
But you do the same thing everyday  
No sense of humor, but such good manners  
Now you're an adult, you're boringIt's a life sentence

Are the walls closing in?  
You stay aye aye aye ayed  
(Aye aye aye aye )  
Too long in schoolI'd rather, stay a child  
And keep, my self-respect  
If being, an adult  
Means being like you  
Aaa, aaa, aaa, aaa, aaa  
Aaa, aaa, aaa, aaa, aaa  
You, you, you  
(You, you, you)  
(You, you, you)  
(You, you, you)  
Are you really you?  
NoYou're a chained up dog fenced in a yard  
Don't see much you can't go far  
Pace and froth you're getting sick  
Run too fast and I'll snap your neck  
Say you'll break out, you never do  
You're just another ant in the hillIt's a life sentence
