

# That Was Me

[Paul McCartney](#)

That was me  
At the scout camp, in the school play  
Spade and bucket, by the sea  
That was me That was me  
Playing conkers at the bus stop  
On a blanket, in the bluebells  
That was me The same me that stands here now  
When I think that all this stuff can make a life  
It's pretty hard to take it in  
That was me Well, that was me  
Royal Iris on the River Mersey  
Beatin' with the band  
That was me Yeah, that was me  
Sweating cobwebs under contract  
In the cellar, on TV  
That was me The same me that stands here now  
If fate agreed that all of this would make a lifetime  
Who am I to disagree?  
That was me, yeah, that was me That was me  
A cappella at the altar  
In the middle of the picture  
That was me That was me at the party  
Sweatin' cobwebs  
In a cellar, on TV  
Yeah, that was me The same me that stands here now  
And when I think that all this stuff can make a life  
It's pretty hard to take it in  
That was me, that was me, yeah, that was me
