

Inside (Demo)

Switched

Yeah

Break my frustration
Crack the walls that hold me inside
Never seen the light go shining through
Never seemed to like the likes of you

Are you happy now
You broke me on the inside
The inside of my soul
The inside of my soul
Should I act now

You break me on the inside
The inside of my soul
The inside of my soul
Is it just lack of respect
These things you do to me
Jealousy is all I see

But you complicate things
Manipulate me
But there's nothing left to believe

Are you happy now
You broke me on the inside
The inside of my soul
The inside of my soul
Should I act now

You break me on the inside
The inside of my soul
The inside of my soul
I swear words keep on speaking
Secrets that your keeping
Tongue tied too tied to part of you

Are you happy now
You broke me on the inside
The inside of my soul
The inside of my soul
Should I act now

You break me on the inside
The inside of my soul
The inside of my soul

You sick why can't you just leave me alone

The inside of my..
The inside of soul
