Roll the Dice

Color Me Badd

Oh yeah, oh yeah, oh yeah, ohIt's not about another love affair
I'm looking for that special girl to share
I'm ready not to make a deal
I wanna love that's more than realGirl, you hold the winning card
For you, I'd gamble all my heart
I'm going for broke girl
You've got that lucky stroke
You hold our love in the palm of your handCome on, now
Roll the dice, don't think twice
Let's get together and melt the ice
Let's take a chance, let's explore romance
We'll be rolling double 7I wanna show you how good love can be
You'll never lose it if you stick with me
I'm spinning now in your direction
Betting all your affectionGirl, don't you be afraid
Hold onto me and you'll be safe
'Cause, lady luck, is smiling on us
So let it ride, I promise we won't bustGo ahead an'
Roll the dice, don't think twice
Let's get together and melt the ice
Let's take a chance, let's explore romanceRoll the dice, don't think twice
Let's get together and melt the ice
Let's take a chance, let's explore romance
We'll be rolling double 7Oh baby, I wanna get with you now
Oh, we gonna melt the ice, baby
An' let's go in for broke, girl
An' let's go in for broke, girlI'm going for broke, girl
You've got that lucky stroke
You hold our love in the palm of your handRoll the dice, oh yeah

Oh, you know we'll be rolling double 7Roll the dice, don't think twice
Let's take a chance, let's explore romance
My baby, rollin' straight into HeavenRoll the dice, don't think twice
