

Just For

Nickelback

And I want to take his eyes out
Just for looking at you
Yes, I do

And I want to take his hands off
Just for touching you
Yes, I do

And I want to rip his heart out
Just for hurting you

And I want to break his mind down
Yes, I do

And I want to make him regret life
Since the day he met you
Yes, I do

And I want to make him take back
All that he took from you
Yes, I do

And I want to rip his heart out
Just for hurting you

And I want to break his mind down
Yes, I do, yes, I do
Yes, I do

And I want to rip his heart out
Just for hurting you

And I want to break his mind down
Yes, I do, yes, I do
Yes, I do, yes, I do
