Ceremony Of Shiva

Behemoth

Avatars of powers from four worlds
Bathed me in jewels of belief
I drink the nectar of Goddess - my eternal mistress
I am Shiva, Hadit or Beast himself
And multitude of forms surpasses myself
I kneel before Isis, I - her god and slave
Coiled serpent lifts up his head and looks in my eyes
Third power and third eye create The OneI am who I am not
I negate and confirm
I transgress, it is real!Wheels of change turn with my breath
I touch the red - hot firmament (of golden darkenings of heavens)
And stars are falling down onto every side of world
With my tongue I penetrate scarlet abysses of Kteis
Overflowing my body with thrill and heart with warmth
Suddenly I'm shooting forth venom
'Cause I, I became a snake who rounds her flesh
Here and now, here and now
