

# Why

## Avril Lavigne

Why do you always do this to me?  
Why couldn't you just see right through me?  
How come you act like this, like you just don't care at all?  
Do you expect me to believe I was the only one to fall?  
I can feel, I can feel you near me  
Even though you're far away  
I can feel, I can feel you baby, why?  
It's not supposed to feel this way  
I need you, I need you more and more each day  
It's not supposed to hurt this way  
I need you, I need you, I need you, tell me  
Are you and me still together? Tell me  
You think we can last forever? Tell me why  
Hey, listen to what we're not saying  
Let's play a different game than what we're playin'  
Try to look at me and really see my heart  
Do you expect me to believe I'm gonna let us fall apart?  
I can feel, I can feel you near me  
Even though you're far away  
I can feel, I can feel you baby, why?  
It's not supposed to feel this way  
I need you, I need you more and more each day  
It's not supposed to hurt this way  
I need you, I need you, I need you, tell me  
Are you and me still together? Tell me  
You think we can last forever? Tell me why  
So go and think about whatever you need to think about  
Go and dream about whatever you need to dream about  
Come back to me when you know just how you feel, you feel  
I can feel, I can feel you near me  
Even when you're far away  
I can feel, I can feel you baby, why?  
It's not supposed to hurt this way  
I need you, I need you more and more each day  
It's not supposed to hurt this way  
I need you, I need you, I need you, tell me  
It's not supposed to hurt this way  
I need you, I need you more and more each day  
It's not supposed to hurt this way

I need you, I need you, I need you, tell me  
Are you and me still together? Tell me  
You think we can last forever? Tell me why
