Navigator

Blutengel

Every time I look in to your deep blue eyes,
I can see myself, covered behind the wall of lies
I know you want me to be like the angel in your dreams
But I'm not that strong, I don't have wings to fly

Tell me what you think of me
Tell me your desire
Tell me what you want from me
Will I ever understand ?

I'm not the angel of your dreams
Nothing is quite as it seems
And I'm not from heaven sent
I'm not holy just like you

I'm just a ride around the storm
At the edge of time I was born
I'm the lonely navigator
I guide you through this passage of life

I'm not the angel of your dreams
Nothing is quite as it seems
And I'm not from heaven sent
I'm not holy just like you

Can you hear the demon cry ?
Can you hear, they are coming,
Can you hear the demon cry ?
Will you ever understand ?

All you you want is just a helping hand
Helping you to live your life
You're on your knees and pray for the angel
That brings you salvation and despair
You falling deep into an endless sleep
And I know I'm free

I'm free again...
I'm not the angel of your dreams
Nothing is quite as it seems

And I'm not from heaven sent

I'm not holy just like you
I'm just a ride around the storm
At the edge of time I was born
I'm the lonely navigator

I guide you through this passage of life
I'm not the angel of your dreams
Nothing is quite as it seems
And I'm not from heaven sent
I'm not holy just like you

I'm just a ride around the storm
At the edge of time I was born
I'm the lonely navigator
I guide you through this passage of life

I'm not the angel of your dreams
Nothing is quite as it seems
And I'm not from heaven sent
I'm not holy just like you
