

Breathe

[Faith Hill](#)

I can feel the magic floating in the air
Being with you gets me that way
I watch the sunlight dance across your face
And I've never been this swept away
All my thoughts just seem to settle on the breeze
When I'm lying wrapped up in your arms
The whole world just fades away
The only thing I hear is the beating of your heart
And I can feel you breathe, it's washing over me
And suddenly I'm melting into you
There's nothing left to prove
And baby, all we need is just to be
Caught up in the touch, slow and steady rush
Baby, isn't that the way
That love's supposed to be
I can feel you breathe, just breathe
In a way I know my heart is waking up
As all the walls come tumbling down
Closer than I've ever felt before and I know
And you know there's no need for words right now
As I can feel you breathe, washing over me
And suddenly I'm melting into you
There's nothing left to prove
Baby, all we need is just to be
Caught up in the touch, slow and steady rush
And baby, isn't that the way
That love's supposed to be
I can feel you breathe, just breathe
Caught up in the touch, the slow and steady rush
And baby, isn't that the way
That love's supposed to be
I can feel you breathe, just breathe
I can feel the magic floating in the air
Being with you gets me that way
