

# Call The Police

## Waek

Uh

Betty was worried about the lover that she has married  
And she didn't know what to do  
He'd been hit by a hammer on the head and he lay dead  
An' all her worst fears came true

Call the police  
Call the police  
Call the police  
Call the police

Johnny was a joker and a very heavy smoker

And he never ever broke the law

Thin Miss Lizzy was a kept very busy  
And sometimes very dizzy, we knew what for

Call the police  
Call the police  
Call the police  
Call the police

And take 'em all away

Lock 'em up  
Call the police  
Call the police  
Call the police

Louie was a loner and a big time Al Capone

Doin' all his dippin' from the door

He knew a shady dealer who had done a dirty DJ

The sooner he could settle the score

Call the police  
Call the police  
Call the police  
Call the police

And lock 'em up

Help ya, have a birthday, say

Take 'em all away
