Frozen Peak

MONORAL

Listen all you can
I'm not afraid of signs
And here's my peak tonight
I'll follow you but...Don't freeze mine
I don't belong here tonight
Don't freeze mine
I don't belong here tonight
So please be mine
And take me out for a rideLightings on my side
The music screams inside
Let the show begin
Drinking all the whileYou're too loud now
I'll follow you, but how?
The peak's tonight
I'll follow you but...Don't freeze mine
I don't belong here tonight
Don't freeze mine
I don't belong here tonight
So please be mine
And take me out for a ride
Please be mine
