## **Anything for You**

## **Bee Gees**

Ooh ooh ooh When you wait and you watch And you're wishing for something wild I figure I can please you someday someway I figure I can put your love on trial I'm taking you back to school Talk about making it something real Nobody could deny you anything[Chorus] You know I'd do anything Anything for you You know I'd do anything Anything for you You know I'd do anything Anything for you You know I'd do anything Anything for youYou you you You can run with the fun You can tickle my nerves inside In the face of heartbreak, heartache It's gonna be a magic carpet ride Better we make it soon Let it be the one that make you Cry for more Anyone else would buy you anything I'd do anything[Chorus]I'd do anything I'd do anything I'd do anything I'd do anything[Chorus]I'd do anything I'd do anything I'd do anything
