

# My Love Depends on You

[Otis Spann](#)

Well I'm tired now baby, baby I don't know what to do  
Yes you know I'm tired now baby, little girl I don't know what to do  
Now all of my love baby, all of my love depends on you Don't feel sorry for me baby, God knows I can't help  
myself  
Don't feel sorry for me baby, Lord knows I can't help myself  
You know I told you that I love you woman, and you know I don't want nobody else Play me the blues now,  
baby...Lord have mercy baby, Lord have mercy on me  
I can't find my baby, I want to know where she can be  
Anybody seen my baby, just send her on back to me
