Hands Up If You Wanna Be Loved (Live In London)

Incognito

Hands up if you wanna be loved
Hands up 'cos we wanna be lovedWalk me through it, I'll talk you through it, blindfolded through the mine-field
Holler at me, I'll holler back, unflustered through the changes
Now put your hands up
Hands up if you wanna be loved
Hands up 'cos we wanna be loved
Hands up if you wanna be loved
Everybody sing yeah
Hands up if you wanna be loved
Hands up 'cos we wanna be loved
Hands up if you wanna feel loveIt feels so right, to be reaching out for you
A feeling so good, when you're reaching out to me
We do what it takes, 'cos we wanna be loved
There's no denyin', we got it all ya'll
We got it all ya'll. We got it all ya'll. We've got it allGlad you're back here, I gotcha back now
Intrusted, we got it pat down
Put it on me, I'll give it to you back
