Figure It Out

Allen Stone

Oh, if I could see into the depths of what makes you, hey, you,
Then I could give you all that love that you pursue,
But I, I,
Well, I am just a man,
And I just can't pretend,
That the essence of your being is easy to understand,
But I, I,
Well, I, I, I,Well, baby, 'cause I know this is complicated,
But I won't let this love get wasted,
We can figure it out,
We can figure it out,
And I know that we both need healing,
But I won't forget all my feelings,
We can figure it out,
We can figure it out,
I assure you you're the one,
I just can't control my tongue,
And I say things I would have never said, no,
When our love was young,
But I, I,
Let's get back to the basics,
Let's rebuke all the critics,
Let's get back to the foundation,
Let's revisit our classics,
Oh, well, I, I,
Well, I, I, I,Well, baby, 'cause I know this is complicated,
But I won't let this love get wasted,
We can figure it out,
We can figure it out,
And I know that we both need healing,
But I won't forget all my feelings,
We can figure it out,
We can figure it out,
We can figure,
We can figure it out,
No, no, no,
No, no, no,Baby, 'cause I know this is complicated,
But I won't let this love get wasted,
We can figure it out,

We can figure it out,
And I know that we both need healing,
But I won't forget all my feelings,
We can figure it out,
We can figure it out,And I know this is complicated,
But I won't let this love get wasted,
We can figure it out,
We can figure it out,
And I know that we both need healing,
But I won't forget all my feelings,
We can figure it out,
We can figure it out.
