Wicked

Jupiter Rising

[VERSE 1]
i know he loves me and i'm all he can trust
we make this stress and i just can't get enough
he uses fists and maybe things will get rough
if he knew, but i don't want him toi know its sneaky, but there's no other way
and i can see that this is how it must stay
nobody sees how must we play them charades
you ain't touched me for days and it's driving me crazy[CHORUS]
i'd like to change, but i'm wicked
it's hard to say from where i get it
all i know, is when i'm with ya
you tame and inflame my wicked ways (my wicked ways)[VERSE 2]
damn, i will leave this up we built this whole world
and i can see this house of cards is absurd
it was so easy when a boy met a girl
thought we'd change the whole world, but we didn'toh, one late night, when we was dating (when we was dating)
oh, all we kissed, everything elevated
now, we can't go back
now, i can't go back
so long i've waited
no, i ain't waiting[CHORUS]
i'd like to change, but i'm wicked
it's hard to say from where i get it
all i know, is when i'm with ya
you tame and inflame my wicked ways (my wicked ways)[CHORUS]
i'd like to change, but i'm wicked
it's hard to say from where i get it
all i know, is when i'm with ya
you tame and inflame my wicked ways (my wicked ways)i'd like to change
i'd like to change
i'd like to change
but i'm wicked (i'm wicked)
but i'm wicked[CHORUS]
i'd like to change, but i'm wicked
it's hard to say from where i get it
all i know, is when i'm with ya
you tame and inflame my wicked ways (my wicked ways)[CHORUS]
i'd like to change, but i'm wicked

it's hard to say from where i get it
all i know, is when i'm with ya
you tame and inflame my wicked ways (my wicked ways)[CHORUS]
i'd like to change, but i'm wicked
it's hard to say from where i get it
all i know, is when i'm with ya
you ttame and inflame my wicked ways (my wicked ways)
