

Beamer, Benz, Or Bentley

Lloyd Banks (ft. Juelz Santana)

Beamer, Benz, or Bentley, Beamer, Benz, or Bentley
Beamer, Benz, or Bentley, my jeans are never empty, bitch
Beamer, Benz, or Bentley, Beamer, Benz, or Bentley
Beamer, Benz, or Bentley, your scheming don't affect me
I'm fresh, I'm fly, I'm so damn high
More than 500 horses when I roll by
I'm calm, I'm cool, everything brand new
I don't hand cuff, you can get the whole damn crew
Get in my Beamer, Benz, or Bentley, Beamer, Benz, or Bentley
Beat it, I bet she let me, she been fiending since she met me
I'm the coolest shit, especially when I throw on all my Gretzky
Got my S-S-Smith and Wessie to protect me so respect me
This is heavy, new Bentley, color vanilla and cherry
Andretti on Pirelli, make a movie out the ghetty
Wear my ring and my confetti, I'm Kobe Bryant ready
Pink Ros
