# On The Other Side

## Landon Pigg

I can't move, I'm afraid to lose
I'm breathing but I'm dead
Yeah there's a difference
Between living and living in your head
Don't let life pass you byIf you're feeling all alone, then
Just look in the mirror at yourself
And you'll remember every reason
Why you're sharing your life with no one elseThere, there
I don't want to make you cry
There, there
But you'll feel better on the other side
On the other sideYou'll never know what's on the inside
If you never open up the box
And why do you expect the door
To open up if you won't even knockIf you're feeling all alone, then
Just look in the mirror at yourself
And you'll remember all the reasons
Why you're sharing your life with no one elseThere, there
I don't want to make you cry
There, there
But you'll feel better on the other side
On the other sideThere, there
I don't want to make you cry
There, there
There, thereYou got a long ways to go
But on the other side
You're gonna find what you're looking for
On the other side
You don't have to hide the tears in your eyes
On the other side
They're gonna turn into something more
On the other sideYou're gonna toss and turn
But on the other side
You're gonna find what you're looking for
On the other side
You don't have to hide the tears in your eyes
Cause on the other side
They're gonna turn into something more

On the other side
