

The Promise

Sturgill Simpson

If you need a friendâ€™
Don't look to a strangerâ€™
You know in the end, I'll always be thereâ€™
But when you're in doubtâ€™
And when you're in dangerâ€™
Take a look all around, and I'll be thereâ€™

I'm sorry, but I'm just thinking of the right words to say
â€™I know they don't sound the way I planned them to beâ€™
But if you wait around a while, I'll make you fall for me
â€™I promise, I promise you I willâ€™
â€™

When your day is throughâ€™
And so is your temperâ€™
You know what to doâ€™
I'm gonna always be thereâ€™
Sometimes if I shout
â€™It's not what's intended
â€™These words just come outâ€™
With no gripe to bearâ€™
