I Forgive You

Thi'sl

I forgive you, I forgive me
Now when do I start to feel again?
I forgive you, I forgive me
Now when do i start to feel again?
'Cause the lights are on
But I'm never home
But I'll be back with a brand new attitude
'Cause I forgive you
I forgive you
We were just a couple of kids
Trying to figure out how to live
Doing it our way
No shame, no blame
'Cause the damage is done
And I forgive you
I forgive you
We were busy living the dream
Never noticed the glass ceiling falling in on us
No shame, no blame
'Cause the damage is done
And I forgive you
I forgive you, I forgive me
Now when do I start to feel again?
If I hate you, what does that do
So I breathe in and I count to 10
'Cause the lights are on
And I'm coming home
Yes I am back
With a new heart in my hand
'Cause I forgive you
I forgive you
We were just a couple of kids
Trying to figure out how to live

Doing it our way
No shame, no blame
'Cause the damage is done
And I forgive you
I forgive you

We were busy living the dream
Never noticed the glass ceiling falling in on us
No shame, no blame
'Cause the damage is done
And I forgive you
I forgive you
For every time that I cried
Over some stupid thing you did to hurt me
That's alright, yeah I forgive you
I forgive you
We were just a couple of kids
Trying to figure out how to live
Doing it our way
No shame, no blame
'Cause the damage is done
And I forgive you
I forgive you
We were just a couple of kids
Trying to figure out how to live
Doing it our way
No shame, no blame
'Cause the damage is done
And I forgive you
I forgive you
We were busy living the dream
Never noticed the glass ceiling falling in on us
No shame, no blame
'Cause the damage is done
And, and I forgive you
