

# Some Take to Drink

## Lost Dog Street Band

"Some Take To Drink"

Some take to drink, others take to smoke  
some take bullets some take to rope  
some men are born with fire in their eyes  
and theyâ€™ll dig their own graves lord  
and they wonâ€™t complain when they die

Some learn to charm, others never will  
some take to needles, some take to pills  
some men are born with weakness in their eyes  
and theyâ€™ll kill who they can lord  
and they wonâ€™t understand when they die

some change their minds, others change the world  
some die with nickels, some die with pearls  
some men are born without a soul to tell  
and they scream when they can lord  
and theyâ€™ll spew their hate in the bowels of hell
