

Arise and Shine Forth

Jenny Phillips

Born as daughters of a royal birth
Noble spirits of eternal worth
Each to Him is known
Each He calls His own
We'll strive to fill the role of our creation
Rise to be a standard for the nations
We will

[Chorus]
Find the light
And hold it for the world to see
Live to be the daughters
We were meant to be
We are precious in His sight
Sent to be the children of light
Arise, arise
And raise the torch
Arise, arise
Arise and shine forth

Called as keepers of the gospel flame
Sent as bearers of His holy name
Guardians of the light
Faithful in the fight
We're standing as a witness in all things
Holding fast to all that we believe
We will

[Chorus (Descant)]
Find the light (Shine the light)
And hold it for the world to see
Live to be the daughters (Hold it high)
We were meant to be
We are precious in His sight (Bear His name)
Sent to be the children of light (Share the flame)
Arise, arise (Hold to the rod, the iron rod)
And raise the torch
Arise, arise (Hold to the rod, the iron rod)

Arise and shine forth

Arise and shine forth!

We'll arise!
