

# Five Foot One

## Iggy Pop

I'm a football baby  
Rollin' round the field  
I've been passed and fumbled  
Till I don't know what I feel  
Everybody's the same  
They're all footballs too  
Setting up the big play  
And trying to score I'm a football baby  
In a football game  
I'm a football baby  
Run--kick Life's a football game  
As every chump and champ knows  
We don't touch, we collide  
Till we're worn out inside  
We're kicking each other  
Right where it hurts  
Setting up the big play  
And trying to score I'm a football baby  
In a football game  
I'm a football baby  
I'm a football baby  
In a football game  
I'm a football baby  
Block--pass  
I'm a football baby  
In a football game  
I'm a football baby  
Run---kick---hit---goal
