

# Actress

Jim James

You're good at making everyone believe that they love you  
A little wink of the eye, a little glimpse of the thigh and we're in heaven  
Whether or not it's true  
I believe in the concept of you  
With personality  
Destructing reality

Oh that dress the fact is I believe in the myth and the legend  
No reality  
Don't believe in everything I believe in a heightened emotion

Truth stings  
And in a blink of an eye your life changes  
What I came to know is you, had been replaced by something new  
Oh what an actress

Whether or not it's true I believe in the concept of you  
With personality  
Destruct my reality

Oh actress, fact is, I believed in the myth and the legend  
Thought I knew reality but you were training to be lost in a fantasy

Oh actress the fact is I believe in the myth and the legend  
A new reality and I believe in everything  
Swayed by a sense of devotion
