Fertilizer

James Fauntleroy

I got a garden where it never rains (no)
I feed the flowers tears, they don't complain (yeah, ooo)
Can I get you to cry, baby (baby)
If I tell you a lie, baby? (baby)
I just need a reaction
To keep it alive baby (baby)
Cuz I've got a garden in my heart
And I can't survive without some (kind of)...Chorus
Fertilizer I'll take bullshit if that's all you got
Without some fertilizer, tears, and sunshine all the growing stops
Whatever I just need it from you
I just need it from youWell I heard that the flowers love to hear you sing, baby girl
Put your ear to my heart, bet you won't hear anything
Can I get you to sing baby? (baby)
Give me something in E major? (major)
Pretty darling, your silence, is driving me crazy (crazy)
Girl I got a garden in the dark, and I can't, survive without some kind of...Chorus
Fertilizer I'll take bullshit if that's all you got
Without some fertilizer, tears, and sunshine all the growing stops
Whatever I just need it from you
I just need it from you
I just need it from youBehold, light from my star
I dug a hole, planted my heart
It's been told, that hearts can grow
I just need...Chorus (x2)
Fertilizer I'll take bullshit if that's all you got
Without some fertilizer, tears, and sunshine all the growing stops
Whatever I just need it from youFertilizer I'll take bullshit if that's all you got
Without some fertilizer, tears, and sunshine all the growing stops
Whatever I just need it from you
I just need it from you, you
