It is dark

But also not
You, are going to rock and roll
And you can hardly wait for the music to begin
When it happens, you will become a part of that music.

You are there, you are going on a musical trip.
The highest, happiest trip that you've ever been on.

Enjoy it, and get into it

Loosen your seatbelts, let's rock and roll

Roll, roll, roll, roll

Roll, roll, roll, roll

Roll, roll, roll, roll

Roll, roll, roll, roll
Good evening ladies and gentlemen
And I would like to be able to continue to...

Let what is inside of me

Which is, which comes from all the music that I hear

You know, I would like for that to come out

And it's not like, it's not really me that's coming

The music's coming through me
Coming out strong!
Presenting to you...

The mayor's Very own
I'd like to just continue to be able to...

Express myself, as best as I can with this instrument

I feel like I have a lot of work to do. Still, ya know

I'm a student, of the drums

And I'm also a teacher of the drums too
The dynamic, the soul
Coming out strong!
Keep on rock, rock, rock

Keep on rockin'

Ke, ke, ke, keep on rockin'
